Show 'em the app!

We'd like to show you the mobile application we are working on. We'll look on with you as you try the application.

Please take 5 minutes explore the application as you normally would with a new app you download and please remember to think aloud for this part.

(Note: If the app is available publicly, start by having the user try to discover the app via your chosen method; play store search, website, etc. Customize the fields below to match the screens of your app)
