

WeCycle User Feedback Form

👋 Thank you for being a part of the WeCycle community!

We're gathering feedback to improve your experience with the WeCycle app, and we'd love to hear from you.

This form gives you two ways to share your thoughts:

1. **A short questionnaire** — to rate different aspects of your experience with the app
2. **A brief user interview** — to share more detailed feedback in a live session

You can choose to participate in **either one** or **both** — whatever works best for you!

✅ Please use your **WeCycle username** instead of your real name when scheduling.

📅 Time slots for interviews are first-come, first-served — book early!

We'll follow up with a calendar invite if you select an interview slot.

🔒 Data Use & Privacy

The information you provide in this form (including your username and email) will be used solely for research purposes to improve the WeCycle app.

Your data will only be accessed by the WeCycle research team and will not be shared with any third parties.

Please note that interviews may be recorded or documented for internal research use only. Participation is voluntary, and you may opt out at any time
